VALUES

ROMAN ALARMS is committed to conducting our business activities with integrity, honesty and respect. **ROMAN ALARMS** prides itself on being much more than just another Security Company that provides Electronic Security Solutions and related services. We realize that each client has special requirements.

VISION

At **ROMAN ALARMS** we do our utmost to identify with your individual needs and then provide you with a risk protection solution to your complete satisfaction. "Setting unmatched Standards of Professionalism in the Alarm Installation, Alarm Monitoring and Armed Response Services" In order to attain this Vision, we must naturally have a means of achieving it, which is encapsulated, in our Mission.

MISSION

"We strive to provide all our clients with cost effective, unique and specialized services that will contribute significantly to the protection of their assets, families, clients, personnel and to minimize their losses."

SERVICES

OUR SERVICES

No matter what the size of your business or operation, ROMAN ALARMS offers a very high standard of service which includes:

• ALARM MONITORING

ROMAN ALARMS has a modern, well equipped Control Room at our premises in Trichardt, from where all alarms are constantly monitored and a 24/7 Armed Reaction Service is dispatched to the different areas of operation. ROMAN ALARMS conforms to very high standards with regard to the Installation, Monitoring and Armed Reaction on Alarm Systems. This has great advantages for the client in the sense that we are obliged and equipped to render quality services as indicated in our Mission statement.

• ARMED REACTION SERVICES

A 24/7 Armed Reaction Service is provided by **ROMAN ALARMS**. Our clients have the advantage of professional, well trained and armed Reaction Officers that will respond to any emergency. All our vehicles are in direct radio contact with our control room and equipped to handle any emergency.

• ALARM AND CCTV INSTALLATIONS

We have well trained and experienced technicians available to install Alarms and CCTV Systems that are designed to your specific needs.

• ELECTRIC FENCE SYSTEMS

We also have well trained and experienced technicians available to install Electric Fence Systems that are designed to your specific needs. Certificate of Compliance can also be issued for all Fencing Systems.

• GATE AND DOOR AUTOMATION

We install all types of Gate and Door Automation Equipment

• ACCESS CONTROL SYSTEMS

We install all types of Access Control Systems.

DEDICATED SUPERVISION AND LIAISON

When supplying any Security Service we at ROMAN ALARMS strive to build a lasting mutually beneficial relationship with our client. We believe that this can only be achieved through services that are backed by a commitment to after sales service and ongoing liaison with the client.

SELECTION AND RECRUITMENT

Selection and recruitment procedures are rigorous with criminal and security clearance checks done prior to employment.

Stringent criteria are set and adhered to, to ensure that only the most suited individuals with the correct mental and physical attributes are selected.

TRAINING

All staff receive training on a continues basis to ensure that members are capable to handle all changes in the Security environment. Electronic training is given by our Electronic Equipment suppliers to ensure the correct installation criteria are adhered to. All operational staff are sent on regular refreshment courses to ensure that they remain up to standard.

SUPERVISION

After hour supervision is carried out by a **ROMAN ALARMS** Manager and Field Officers who check staff during the day and night at irregular intervals. Visits are monitored and recorded by our 24 Hour Control Centre.
